Dear Parents

SENIOR SCHOOL CHARITY CHALLENGE

In our previous charity letter dated the 14th November 2011, it was mentioned that, as part of our 150th Anniversary, the Senior School would be launching a 'charity challenge'.

The challenge to every student in the Senior School is to try to raise at least £10 as part of a charity initiative to achieve a target of £3,000. It will run from February to May.

The following are just some suggestions of how students might do this:

- Employment by family, friends or neighbours; for example, babysitting, shopping, gardening, car washing, etc.
- Sponsorship in the usual way.
- Form activities by groups or whole forms – sales, raffles, etc.
- Direct donations. This is the least preferred method as we hope students will want to be involved.

The money raised will be donated to three charities: one local, one national and one international.

As well as the above, we will be supporting Sport Relief on the 16th March by providing a charity lunch at a cost of £2.

Many thanks for your continued support of our charity initiatives.

Yours sincerely
