11th March 2011

Dear Parents,

Please could I ask that your child/children are closely supervised in the staff car park when you are dropping off and picking up. As you are aware, these are busy times of the day and it is important that children are not allowed to roam freely.

I would also insist that scooters are not to be ridden within the car park or school premises. Again this is in the interest of child safety and also to prevent any damage to parked cars.

On a final note could I please remind you that the middle entrance to the car park is the **ONLY** entrance to be used, as this remains clear of parked cars.

Thank you for your co-operation in this matter.

Yours sincerely

James Summers
Deputy Head
