1st December 2011

Dear Parents,

I am writing to you with regards to the 2012 Year 5 non residential trip to Adur Outdoor Activities Centre, which is located at Shoreham-by-Sea. The dates are Thursday 24th May and Friday 25th May. Adur has now become our annual destination for Year 5 and I continue to be impressed by what the centre has to offer.

During the two days the children will be taught in small groups, having both morning and afternoon activities. All activities are taught by fully qualified instructors. Core activities will include canoeing, indoor rock climbing, raft building, mountain biking, and problem solving. You may wish to visit their website at www.aoac.org.uk

Although the proposed visit is not a compulsory part of the syllabus, it will nevertheless be of great value to your child and we hope that he/she will be able to participate. The cost of the trip is inclusive within the school fees, as laid out in the Bursar's letter of March 2010. If you wish to receive another copy of the Bursar's letter or have any queries or concerns please contact the Junior School office.

If you would like your child to participate, please complete and return the tear off slip attached by 8th December.

Further information about the activity days will follow during the first few weeks of the summer term.

Yours sincerely,

James Summers
Deputy Head

To Mr. Summers,
