

Teacher of Design Technology and Art (part-time)

Required for September 2019

We are seeking to appoint a highly skilled, enthusiastic, inspirational and motivated part-time (0.63 FTE) teacher of Design Technology with a passion for their subject and the ability to enthuse and engage students. A strong creative background is desirable as you will be required to deliver a mixture of Key Stage 3 Design Technology and Art courses.

The successful candidate should desirably have achieved a QTS, have some previous experience of teaching Design Technology (Product Design), and be flexible enough to teach Art too. It would also be an asset, but not essential, to have previously taught either AQA GCSE Design Technology/Art, or both. You will have full access to a well-resourced practical workshop and wider facilities within the two departments, and be encouraged to actively contribute to the KS3 curriculum plans.

Closing date: midday on Monday 25th March 2019

Further details and application form can be obtained from our website <https://www.sionschool.org.uk/contact-us/job-vacancies/> . Alternatively please call Alison Sims on 01903 204063 or email simsa@sionschool.org.uk

Our Lady of Sion School is committed to safeguarding and promoting the welfare of children; the successful applicant will be subject to an enhanced disclosure through the DBS.
