Dear David Walliams,

I am writing to thank you for giving permission to our teacher Mrs Summers and allow her to read your stories online to my class.

I was so pleased to hear that our end of the day story was Slime. It sounded so slimemazing and I couldn't wait to hear the next part each day. I even created my own slime whilst listening to it, and love playing with it!!

My favourite part of Slime was when Jemima, Ned and Slime went on their last final flight around Mulch, I loved the ending and it made me feel very happy.

Also, Mrs Summers has just started a new book The Worlds Worst Children. I found 'Brian Wong' who is never wrong very funny!

I have lots of your books and I absolutely love reading them.

I have just finished Ratburger and now started The Ice Monster. I like the bit where the pulverisation machine turns Sheila and Bert into burgers, as they deserved it!

In fact, I love every book that I have read by you!

YOU ARE MY FAVOURITE AUTHOR IN THE WHOLE ENTIRE WORLD!!

You really inspire me to write my own books and silly stories.

I hope you have kept safe and well during lock down, and have been creating more new books, as I want to keep reading more and more and never run out of having any to read!!

Thank you very much for being a supertastic children's author and inspiration.

Yours Sincerely

Italia
